Subject: Re:Update Yakama Nation on Col. R. TMDL - Forward

Howdy. See the following note from James Thomas of the Yakama Nation. Can you answer his questions about the BO? Also, I'll send him the meeting minutes.

Thanks

Doug

Yes

To Doug :

From: James Thomas

Thank you for the short letter notifying our program about the upcoming tribal/EPA conference call Re: the Col. R. TMDL process. Please email or regular mail us the minutes from the meeting with Tribal leaders /EPA R 10. We (Yakama Nation Environmental Program and Tribal Council) do wish to participate in this TMDL process. Also, could you please clarify which Biological Opinion is referred to in the letter and where we may access this BO. Is it something freely available from the NMFS web site? Please email the Yakama Nation environmental program. The program manager is Moses D. Squeochs at mose@yakama.com, Water Quality specialist is James Thomas at jthomas@yakama.com . Our mailing address is Yakama Nation Environmental Protection Program, 401 Fort Road, P. O. Box 151, Toppenish, WA. 98948. Telephone (509) 865-5121 ext.4669. Thank you.

1) Demand March 9 notes

2) B.O is being developed by NMFF

- attad current schedule
- next Tribal consultation ??
